Week 9, Term 2 2020

Kia ora, Greetings and welcome

A warm welcome to Roitana and his family. Roitana joined the Junior Class today. We hope you enjoy your time at Poroti School.

It is pleasing to see the positivity of our parents and students getting back into the 'school routine.' We are one of the lucky schools who have had all our students return after Lockdown, and for that we are very thankful. We appreciate your continued support to get your children to school on time ready for learning. We all know how important regular attendance is to a child's learning, and the time at the beginning of the day equally important. This part of the day is the setting up for the day's learning, and arriving late puts those children in 'catch-up' mode all day. They enjoy getting to socialise with their friends before school, and this often sets the tone of the day for them. Thanks once again for your support in this, it is very much appreciated.

Mike Cameron (Artist), Andrea Cameron and Christine Alford (Across School Teachers from our Community of Learning) worked with 19 of our students from both classes on Thursday on a collaborative piece of art. Our students' pieces of art will be combined with the art boards from all our COL schools to create a 2 metre by 2 metre piece of art for each school. It was a great experience, with problem solving, risk taking and collaboration. Thanks also to Olivia who joined us for the session. We look forward to receiving the art piece, and will notify you of the handing over date.

VISION ideas: Can you please send your ideas in a.s.a.p so that I can get this underway with the Board of Trustees. What you think we should be trying to achieve as a school? Where you think we should be heading in the future? What words represent our school?

Shade House: We have a tunnel house to be assembled by the orchard, at school. If you can help either during the week or over a weekend please contact Mrs J and we can organise a small team to assemble it. Thank you.

Celebrating our Support Staff: This week we are celebrating our SUPER, WONDERFUL, AMAZING Support Staff. A big thank you to Susan and Donna. You do a fabulous job for our school and our students. We really appreciate all you do for us. Have a great week.

Thanks to those parents who are reading with their children at home, and encouraging reading for relaxation and recreation. The results of this are showing up in class, and through our assessments. The 'Readicator' in the Senior Room is ringing strongly as the children hit the top with their books read. Keep up the great work.

Mrs J

Principal
