Week 10, Term 2 2021

Kia ora, and welcome

The end of Term two is here and there have been so many highlights that we could mention . . .

The completion of the turf, working bee ensuring our environment is looking good, Science Roadshow, Kiwi North visit, coding by both classes, the progress in achievement our students make on a regular basis, the successful Grant applications meaning so many enhancements to our programmes, the Artwork produced by the students, Room for Rhythm confidence and leadership, as well as sounding great, Winter Sports tournaments, an amazing Country Meal, very nutritious lunches (especially the hot lunches), Better Start Literacy Programme underway in the Junior class, and Basketball coaching leading to some of our children taking up the opportunity to go to the Mangakahia Hawks club nights.

The shade house has now been secured, with the shelving built and the flooring in. The Junior class planted seeds today for our first crop. They planted a variety of vegetables and herbs, so we are now underway with the process of growing seeds to seedlings and planting into the bigger gardens.

Tuesday saw some amazing students working in Senior / Junior (Tuakana / Teina) relationships on Manu Tukutuku (Kites). We had three rotations: Body, Head and Wings. With a variety of materials available the students were able to be creative, as well as listen to each other's views on how their kite should look. The way they worked together was a proud moment for all adults working with them. Thanks to Kurt and Jennette for their support during this activity.

We farewell Nevaeh tomorrow as she has been accepted into Excellere College in Kamo. Nevaeh has been the Kauri House Captain, a very reliable Bus Monitor, great with our younger students, and an active participant in our senior class. She will be missed, but we send her off with all our best wishes for success in her next learning journey.

THANK YOU to our amazing community members for your help and support over the last term in so many ways. To our staff for going above and beyond for our students. To our students for your focus and achievement in your learning this term. You never cease to amaze us with your thinking and ability to problem solve. To our BOT members thank you for your support and advice. I feel proud to be the 'Leader' of Poroti School.

We have been successful with our application to the Environmental Leaders Fund and will be awarded a grant of \$650 to be used for the purchase of weed mat and bark to help further enhance our living garden area.

Tomorrow with the end of term each family will be given a small 'winter warmer food package' please feel free to donate this forward if you do not have a need for it.

Have a safe, and enjoyable holiday with your family. If you are travelling or meeting up with friends or relations why not take them some of Poroti School's Honey. Still a few left for sale from the Office.

Take care everyone, and we look forward to seeing you all back relaxed and ready for another term on Monday 26th July.

Mrs J (Principal)

NEW DATE FOR 2021 AG DAY is **SATURDAY 2 OCTOBER**
