Week 11, Term 1 2022

Kia ora, and welcome

What a term it has been for everyone. Thank you all for the part you have played in keeping your children isolated when necessary, and taking up the on-line / home learning options, and to those who have made it through Term One unaffected by Covid, keep your fingers crossed like me that it stays away so you get a holiday!

My sincere appreciation goes to our wonderful staff, Mrs Pye, Mrs Grenfell, Mrs Booth, Ms Macdonald, Mrs Maley, Mrs McMurchy, Whaea Hoana, Donna, Fiona Baird (Resource Teacher of Learning and Behaviour) and Molly North (Learning Support Co-ordinator) who go above and beyond for the care, the provision of a healthy environment, and education of our Poroti students. I am grateful to have such an incredible team who all work so well together. Have a wonderful break.

I will send an email out in the second week of the holidays re mandates to update before Term 2 starts.

Term 2 will see classes working on the overarching theme of 'Kai / Food' and each teacher will take a different option. Garden to table will continue on a Tuesday, and Rebecca from Cognition will continue her work around 'Well-being,' with Staff and students. A community hui will be held in Term 2 for community input into this.

THANK YOU for your amazing support for the Easter Raffle. Congratulations to all the winners.

We raised over \$950 through ticket sales !

To all our families and friends have a well-deserved break and we will see you all back in Term 2 refreshed and ready for another term of learning and fun.

Mrs J (Principal)
